Experience and Accomplishments

1994-Present HARK/INTERNET-HELP, Inc. Details beginning on next pages / below.

Self-employed **software trainer** and **consultant** who prepares curriculum and conducts **on-line and hands-on instructor-led training** for government and private sectors concentrating on eLearning, Internet and Web training, Web Site Construction, Webmaster Services, Digital Photography.

1983-1994

Partner, VanHark Partnership (First-Look Photo/Photo Shop). Created chain of one-hour processing labs in Maryland and West Virginia. Specified purchases and supervised maintenance of all equipment and supplies. Organized, hired and trained more than 80 employees.

1978-1980

Adjunct professor of photography at Shepherd College. Active in organization of photography program and implementation of original curriculum, using facilities at James Rumsey Vo-Tech Center until Shepherd College facility was operational. Supervised integration of Rumsey program into two-year degree program at Shepherd College.

1976-1982

Designer, administrator and teacher of one-year postsecondary commercial photography program at James Rumsey Vo-Tech Center. Developed curriculum, designed classroom and laboratory facilities, and specified equipment purchases.

Other Skills/Experiences: Broad background in electronics and electronic communications: FCC Commercial General Radiotelephone License; Advanced Class Amateur Radio License; Certified Photo-Finishing Engineer.

First Lieutenant, U.S. Army Signal Corps: Photographic Officer, Pictorial Unit Commander in Korea (1970-1971).

Education: MA and BA in radio, TV and film, West Virginia University; additional art studies at Shepherd College; West Virginia Vocational Teaching Certificate.
